Lake**Lake Front Nursery - The
Nursery Capital of the World**

Kathie Purman, Executive Director,
Lake County Historical Society
Mentor, OH
440-255-8979
exec.director@lakehistory.org

Lake County presents one of the most unique situations in the entire world, so unique in the nursery business, that at one time, this smallest of Ohio's counties shipped more nursery stock than any location in the entire world. Local lore notes that tulip bulbs from Lake County, Ohio re-tuliped Holland after WWII. This 2-3 hour tour begins at the Lake County History Center located approximately ten minutes from Interstate 90 and Rt. 306 in Mentor, Ohio. After an introduction of some of the world famous nurseries once located in Lake County, our step-on guide directs the group east as they explore the amazing natural resources that combined to create one of the world's most prolific nursery industries. The trip includes stops at a variety of nurseries and an opportunity to see their facilities. 2-3 weeks advance reservations required.
